*Inspiring Lives
One Day
At A Time*

Rescue Me

Project Ministries, Inc.

Mission Goals

To provide a three month computer literacy program for formerly incarcerated individuals.

To offer guidance and support in the efforts to fully restore society's trust and their self-sufficiency.

Vision

Creating Safer Neighborhoods and Productive Citizens-by increasing the success rates of ex-offenders transitioning from correctional and rehabilitative institutions into the community.

Objective

To Inspire lives one day at a time

To build self-confidence, support, and optimism and self-esteem

Transition ex-offenders into society in a safe and confidence manner as well as:

- Decrease the number of ex-offenders in Leon & surrounding counties who lack computer skills, their GED, and life skills.
- Decrease the number of ex-offenders that need support and guidance.

- Increase the number of ex-offenders with medical and mental health services and substance abuse treatment to one on one care with case managers.
- Expansion of training opportunities for case managers and other service providers.

Values

Everyone deserves a second chance.

Those who live or utilize RMPM, Inc. services will be accepted and welcomed without prejudice. Services will be tailored to fit individual assessed needs and aspirations

Everyone should have a support system.

Everyone should be treated with respect and not judged by their past.

All services and programs will be accountable to RMPM, stakeholders, clients, funders, and partners.

Ways You Can Volunteer:

Computer Programmers | Teachers | Computer Proctors | Fundraisers | Event Planners Marketing Experts | Communications | Photographers | Public Relations Social Media Experts | Graphic Designers

Computer Classes:

Rescue Me Project Ministries, Inc believe that teaching formerly incarcerated individuals computer literacy skills, will "INSPIRE" them to further their education, find and secure jobs and have the confidence they need to advance

in today's society. During Computer Classes: Beginner, Intermediate, and/or Advance; that are 11 weeks each, students would learn:

1. Beginner classes:

Course Objectives: You will be able to:

- Investigate basic computer components
- Increase your typing skills
- Develop basic computer skills
- Display basic word processing skills
- Send e-mail (upload and download documents)
- Access the internet

2. Intermediate Classes:

Course Objectives: You will be able to:

- Learn how to use word processing programs (i.e. Word & some Excel & PowerPoint)

3. Advance Classes:

Course Objectives: You will be able to:

- Create and maintain a resume
- How to format a resume
- Learn what employers are looking for
- How to succeed in an interview
- How to search for a job online
- Using different job search websites
- Mock Interviews
- Dress for Success
- 20 hrs. of community service

Visit our website for computer class locations and times

We offer classes to everyone, however, formerly incarcerated have priority
